FACT NOT A FANCY.

Don't advertise; it can do you no good, nor will it help anyone else;—that is, if you have nothing of value to advertise, and cannot stand back of your assertions. If you advertise in spasms, and follow some style adopted by a fellow tradesman you get the Minnehaha. Advertising pays! That is the verdict of all who advertise a good article, one that will stand the test. Barnum said: "The public likes to be humbugged." Does it? Can you afford to say that you have an article of superior merit, and then palm off an inferior? Will the public come again? Nay! nay! The public gives you your bread; give the public what you say you will. If you state that the DOUGLAS PATENT CLOSET is guaranteed against leakage and the annoyance of running water, stand ready to prove it. Hah, the plumber, sees the proof that the DOUGLAS gives satisfaction. The public buys the Douglas.

Janet Waldorf.

Mr. Arthur Seymour, under whose direction Miss Waldorf and her company of twenty-four artists are touring, arrived by the Coptic yesterday to complete arrangements for the coming season at the Opera House here which will commence on or about the fifth inst. Every success has been met with in the Orient and the papers have published very good accounts of the company. The repertoire consists of "Sweet Nell of Old Drury," "The Lady of Ostend," "A Royal Divorce," "The Wrong Mrs. Wright," "Magda," "Facing the Music," "Camille," "Sherlock Holmes," "Romeo and Juliet," "Twelfth Night," and other standard modern plays. Further announcements will be made in a few days.

LOCAL BREVITIES.

Sheriff Brown has so far recovered from dengue as to be at his office.

Judge Estee was able to be out again yesterday and opened court as usual. Mary Alameda has sued Antone Alameda for divorce, alleging extreme cruelty.

Lodge Le Progres will hold a special meeting tonight for work in the third degree.

Judge Wilcox is down with dengue fever, and the police court docket went over yesterday.

The three cases against F. W. McKinney were continued by Judge De Bolt yesterday for the term.

W. A. Baldwin, manager of Makaweli Plantation on Kauai, who has been seriously ill, is much improved in health.

A petition is being prepared for circulation on Kauai asking the United States to restore the old Hawaiian post-office system.

The Republican Executive Committee has adopted a resolution protesting against the employment of alien labor upon public works.

The band concerts for the week are as follows: Tuesday evening, at Palama; Wednesday evening, Moana Hotel, Waikiki; Thursday evening, Thomas Square.

Two Portuguese named Santo Mesa and F. Savate had a fight in lower Palama last night, in the course of which Santo Mesa cut Savate pretty badly in the arm. The cutter was arrested and held on a charge of assault with a deadly weapon.

The Woman's Board of Missions convenes in Central Union Church on March 3 at 2:30 p. m. Reports from Pauahi band and the Chinese and Portuguese work will be given. The paper will be a "Biographical Sketch," by Miss Zeigler.

The services at St. Clement's Church during Lent will be as follows: Daily, 7 a. m. evensong, 5 p. m., except on Wednesdays and Fridays, when the evening service will be at 7:30 p. m. This list is the same as has been used in the past three years.

The man Fitzsimmons, to whom permission was recently refused to go and dwell on Molokai, where his wife is a member of the leper settlement, has evidently taken to drink to assuage his sorrow. He was found on the street yesterday, and is now in the police station on a charge of drunkenness.

A little error in the warrants made out by Secretary Savidge caused the Senators and the Senate officials to go without money yesterday. Savidge made out the warrants on a form which provided for payment and to "charge the same to appropriation for the expenses of the Legislature for 1903." The two appropriations are separate this session and so Registrar Hapai refused to pay the warrants until the correction had been made.

Two Japanese wrestlers from Hilo, Tanaka and Oyama, bought a jag with some of their prize money last night that was so much stronger than they were that they had to work off a part of it on Ping Men Lung, who keeps a fruit store in Palama. The Chinese stood it for a little while, but when the strong little men began making him a target for his own decayed fruit, he called the police and the wrestlers were landed in jail. The wrestling guild bailed them out later in the evening.

It required a long time before we secured a formula for a hair tonic that was good. It is our rule never to offer any preparation unless it has merit. This is what our Berlin Hair Restorer possesses. It is made from the formula of a German specialist who had devoted years to the study of the scalp. We had to pay a good price for it too, but he had the reputation. Now that our customers tell us how pleased they are with its results we are satisfied. We are confident you will find it better than anything you have ever used. We ask you to try it, and after using according to directions you find it has done no good, your money back. It's safe to use, not oily, and produces results. Price \$1.00.

Important Reasons

Why Herring-Hall-Marvin Safe Co. Safes and Locks are the Best.

The concrete filling makes these safes absolutely fire proof and positively damp proof. The solid angle corners add greatly to their security in time of fire and form the only solid corners made. The patent Bolt Work is superior to any in use and does not require the constant oiling, cleaning and repairs that is acknowledged in other makes of safes. That although 600,000 of these safes are now in use and many thousands have been tested by some of the most disastrous conflagrations in the United States, there is not a single instance on record wherein one of them ever failed to preserve its contents perfectly. They make safes for county treasurers, county recorders, county clerks, jewelers, hotels, residences, churches and corporations. We have a large assortment of safes on hand and will be pleased to show same.
